### Relay Declarations

With regard to relay events, the following declaration and substitution/alternate policies will apply for the 2010 outdoor track and field championships:

Only one qualified relay team per institution, with the names of the individuals who ran the qualifying time and who meet NCAA championships eligibility criteria, can be declared during the designated declaration period.

Qualified student-athletes who have been declared and are accepted into the championships in another event shall be allowed to run in any relay heat or final

One additional student-athlete (per institution/per gender) listed on the eligibility form may be declared as a relay alternate. **(Please note: if identifying a relay alternate only one alternate per relay team may be named on the entry form.) This alternate shall be allowed to run in any heat or final of the relay in which they are declared as an alternate.** The transportation and per diem expenses for this alternate will not be reimbursed by the NCAA.

The NCAA shall reimburse transportation and per diem expenses, if available, for a maximum of four members per relay team. Note: The NCAA will not reimburse transportation expenses and per diem for any alternate, whether or not he or she competes.
